

**BANGOUR**  
VILLAGE ESTATE

# HEALTH & SAFETY FOR VISITORS

We are delighted to finally welcome you to the Sales and Marketing Suite located on site. Please be aware that Bangour Village Estate is currently a working construction site, and we therefore ask that you proceed with caution.

- When travelling West along the A89 you can turn right into the development through the entrance gates.
- When travelling East along the A89 you can't turn left into the development and should continue on to the roundabout, go right around it and head back to development to make a right turn through the entrance gates.
- The entrance to the Sales and Marketing suite is on the right.
- Follow development signage and only park in the visitor parking area.
- Visitor parking bays are available and located directly outside the Sales and Marketing suite.
- Please do not drive or walk anywhere else on site.

Please call if you have any queries: **07889 217 695**
